Dear Mr. Beador:

The Department of Transportation (Caltrans) received a letter dated April 20, 2016, from Beador Construction Company, Inc. (Beador) in response to a nonresponsive bid finding for the above a contract. Beador requests Caltrans to withdraw its nonresponsive bid finding and award the contract to Beador.

The process of bidding is very competitive and as you are aware, each bid and each contract is awarded based on the face of the bid. In this case, the Disabled Veterans Business Enterprise Commitment form submitted on March 30, 2016, did list Mallard Construction, Inc. (Mallard) for the performance of bid items 1, 10-12, 27-31, 33 and 34. However, these items were not consistent with the Subcontractors List form submitted at time of bid per the listing instructions on the DVBE form. Caltrans cannot make assumptions with regard to listing a subcontractor to perform work. For this reason, Caltrans determined that the bid was nonresponsive and upholds that finding.

Caltrans will proceed to award this contract to the lowest responsible and responsive bidder, provided that all requirement have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

JILL Y. SEWELL
